Volunteering for your local community gives a great sense of achievement!

At Irthlingborough we've been doing it for over 109 years, and now we are recruiting for more adults to join our successful team of volunteers as Occasional Helpers, Sectional Assistants, Assistant Leaders and Scout Active Supporters.

Do you have a hobby or a skill?

Perhaps a work or life skill you could demonstrate?

Do you have a couple of hours a week to share with the town's young people?

No experience necessary! – Full free training & disclosure check provided

Come and see how you could get involved & what other adults have previously done for the group and how rewarding it has been for them!
